OUR MISSION STATEMENT

We the communities of St. Joseph and St. Philip Neri Parishes are working through the Holy Spirit to make Jesus the center of our lives. With Jesus at the center of our lives, we seek to be transformed so that our lives are no longer ours but rather Christ's. We form His corporate body so that His love can satisfy the needs of His people.

Lenten Reflections

Almsgiving and Concern for the Poor

Almsgiving is a response by us to God, a response that we have come to through prayer and fasting. It is an expression of our gratitude for all that God has given us, and a realization that in the Body of Christ, each individual lives in union with others. Through prayer and fasting we come to a deeper understanding that the needs of all are the responsibility of all in the Body of Christ.

Works of charity and the promotion of justice are integral elements of the Christian way of life we began when we were baptized. For almsgiving or helping the poor, the Church makes it easy for us by giving us the opportunity to contribute to Catholic aid agencies. Helping the poor during Lent brings the words of Jesus to mind, "Whatever you did to one of the least of these you did to me." (Matt 25:45)

Moreover, almsgiving, which is more than just giving away money but also giving of our time through serving the needs of those around us, is a practice which encourages us to let go of things (money, possessions, our valuable time) which may have taken on too high a priority in our lives. Almsgiving encourages us to strip away those things which can cause us to be separated from one another. It also challenges us to take a serious look at distinguishing between what we need and what we want.

Let us remember that spiritual discipline like almsgiving is another step that helps us to understand Christ's sacrifice so that we become more truthful in imitating him.

—Fr. Tim
